

<Title>

How to Communicate Effectively Working in a Foreign Investment Bank in Japan

Akio KATSURAGI

President

Lehman Brothers Japan Inc.

<Abstract>

The key to success for men and women working in foreign financial institutions lies in the ability to communicate effectively. The author celebrated 30th anniversary working for top financial institutions in the world: 12 years for a top Japanese bank and 18 years for US investment banks. The author shares some of the key factors which help people working for US investment banks build successful careers.
